A Serious Word for my Serious Friends
James 5:16-18

This is a serious ordeal!

Three critical necessities for turning the tide of the drought into the outpouring of God:

1) The intensity of our _____.

He prayed earnestly that it would not rain, and it did not rain on the land for three and a half years. Again, he prayed, and the heavens gave rain, and the earth produced its crops. (James 5:16-18)

The _____ of the tide's turn is directly proportionate to the intensity of our _____.

2) The extent of our _____.

The prayer of a righteous man is powerful and effective. (James 5:16)

Partial obedience is not obedience at all, it's only _____.

The _____ of the tide's turn is directly proportionate to the extent of our _____.

3) The depth of our _____.

The prayer of a righteous man is powerful and effective. Elijah was a man just like us. He prayed earnestly that it would not rain, and it did not rain on the land for three and a half years. Again he prayed, and the heavens gave rain, and the earth produced its crops. (James 5:16-18)

The _____ of the tide's turn is directly proportionate to the depth of our _____.
